

Bilingual Education, Counseling and Assessment Specialist

We are seeking a dynamic candidate for this critical leadership position responsible for diverse, innovative and impactful programs in the Lower Hudson Valley.

Responsibilities include:

- Identify, recruit and supervise the work of itinerant and contract specialists including school psychologists, social workers, psychiatrists, speech and language pathologists, audiologists, occupational therapists, and physical therapists
- Oversee all aspects of the Multilingual Evaluation Center
- Supervise Translation and Interpreter programs
- Lead and expand regional forums, professional development and support professional networks i.e. Regional ENL Forum; School Clinicians' Forum and MTSS Collaborative

Interested candidates should apply via [OLAS](#)

**Bilingual Candidates with a background serving students with disabilities, English Language Learners
and special education leadership experience preferred.**
